CITY OF BATTLE CREEK  
CITY MANAGER

**TO:** Planning Commission  
Honorable Mayor and City Commission

**FROM:** Rebecca L. Fleury, City Manager

**SUBJECT:** Six-Year Capital Improvement Program—FY 2016-2017 thru 2021-2022

**DATE:** March 23, 2016

The City Administration is pleased to transmit to you the recommended six-year Capital Improvement Program (CIP) for the City of Battle Creek for Fiscal Years 2016-2017 through 2021-2022. This document formalizes and consolidates all of the capital improvement projects throughout City departments and component units and provides a comprehensive summary of the capital needs of the City for the next six years.

This year is the inaugural year in which we utilized the Priority Based Budgeting (PBB) scoring mechanism to score and evaluate our capital improvement projects. We hope it provides you additional information to understand how these projects impact our PBB Community Results.

The CIP also details the potential source of funding for the capital projects. The program has been developed in an effort to direct the City's limited resources in the most effective manner. Funding strategies include: pay-as-you-go, bond financing, State and Federal grants, the Battle Creek Tax Increment Finance Authority (BCTIFA), and various other sources. By matching the available resources with the capital needs of the City and evaluating their impact on our PBB Community Results, a more proactive approach can be taken for long-term financial planning.

The financing of capital improvements continues to be a challenge. We hope that the implementation of Priority Based Budgeting will assist in identifying those projects closely aligned with our community results. We continue to use the General Capital Improvement Fund to provide resources to improve general capital assets (non-enterprise and internal service fund assets). Any unreserved, undesignated General Fund fund balance, in excess of fifteen percent of total revenue, may be transferred to this fund. This mechanism establishes a systematic way to fund capital improvements going forward. Other mechanisms for funding capital improvements are also being explored as we continue to fully implement PBB.

This marks the fourteenth edition of the CIP. The successful completion of this document would not have been possible without the full support of the City's Directors, Department and Division heads, Finance Department staff, and Battle Creek Unlimited.

Rebecca L. Fleury  
City Manager

# INTRODUCTION

## **Introduction**

### **SELECTION OF THE TIME PERIOD COVERED BY THE CAPITAL IMPROVEMENT PROGRAM**

The Michigan Municipal Planning Commission Act (PA 33 of 2008, as amended) provides for the preparation of a six-year capital improvements program under the guidance of the City Planning Commission.

*“To further the desirable future development of the local unit of government under the master plan, a planning commission, after adoption of a master plan, shall annually prepare a capital improvements program of public structures and improvements, unless the planning commission is exempted from this requirement by charter or otherwise. If the planning commission is exempted, the legislative body either shall prepare and adopt a capital improvements program, separate from or as a part of the annual budget, or shall delegate the preparation of the capital improvements program to the chief elected official or a nonelected administrative official, subject to final approval by the legislative body. The capital improvements program shall show those public structures and improvements, in the general order of their priority that in the commission's judgment will be needed or desirable and can be undertaken within the ensuing 6-year period. The capital improvements program shall be based upon the requirements of the local unit of government for all types of public structures and improvements. Consequently, each agency or department of the local unit of government with authority for public structures or improvements shall upon request furnish the planning commission with lists, plans, and estimates of time and cost of those public structures and improvements.”*

### **STATEMENT OF EXECUTIVE POLICY TO GUIDE THE CAPITAL IMPROVEMENT PROGRAMMING PROCESS**

The chief executive of the governmental unit should prepare a message to departments and other agencies which indicate key policies which should be taken into account in preparation of the capital improvements program. The executive policy message should indicate the kinds of facilities and services which the administration wishes to emphasize or de-emphasize in the program based on overall fiscal capabilities and public opinion.

### **DEFINITION OF A CAPITAL PROJECT FOR CAPITAL PROGRAMMING PURPOSES**

Capital outlays are expenditures which result in the acquisition of or addition to fixed assets. Fixed assets are of a long term nature, which are intended to continue to be held

or used, such as land, buildings, and large machinery. Because of their recurring nature, costs for such items as office furniture, office equipment and passenger vehicles are normally not included in a capital improvement program.

In general terms, the definition of capital improvements includes new or expanded physical facilities that are relatively large size, expensive, and relatively permanent.

For the purposes of the City of Battle Creek's Capital Improvement Program, the following items will be considered to qualify as elements of the program:

1. **Land:** Expenditures for the acquisition of land for the purpose of some long term use, such as a park or public facility, should be included.
2. **Structures:** Structures include public buildings, road improvements, utilities, airports, and similar types of improvements. The capital improvement program should include construction costs, as well as architectural, engineering, design, legal and related expenses.
3. **Preliminary Plans, Feasibility Studies and Technical Analysis:** The anticipated costs associated with the preparation of plans, reports, studies and investigations should be included in the capital improvement program.
4. **Machinery and Equipment:** Only machinery and equipment meeting the established minimum cost and expected life identified below should be included.

## **STANDARDS FOR INCLUSION IN CAPITAL IMPROVEMENT PROGRAM – COST AND LIFE EXPECTANCY**

To be considered as a potential project identified in the capital improvement program for the City of Battle Creek, an item must:

- Have an estimated cost of at least **\$25,000**; and
- Have a minimal useful life of at least **five (5) years**.

## FUNDING SOURCES

| Funding Sources | Description                                             |
|-----------------|---------------------------------------------------------|
| A51             | Act 51                                                  |
| AF              | Airport Fund                                            |

## **PRIORITY BASED BUDGETING FOR CAPITAL IMPROVEMENT PROGRAM**

The implementation of Priority Based Budgeting (PBB) is underway for the City of Battle Creek. This is an exciting new way to think about the services the City provides and the resources that are allocated to those services. PBB is about achieving fiscal health and wellness by looking at the way the City does things through a different lens. The process has been expanded to include the capital improvement program projects. One of the most critical steps in implementing the prioritization process is the scoring of projects. In this step, a cross-functional review team scored each individual capital improvement project relative to the eight community-oriented results shown on pages 7-15 and the basic program attributes shown on pages 16-21 of this document. This step helped identify how each individual project influences or impacts the ability to achieve any or all of the eight stated results. There may be projects that influence the achievement of several or even all of the City's results, and the team was tasked to determine the connection between each single project and its ability to achieve any or all of the City's results. The team considered what degree of impact the individual projects have on each result to determine a consensus score for each criteria. These scores were summarized by the Center for Priority Based Budgeting using their auto program scoring calculator to determine an overall priority score for each project.

### **PRIORITY DEFINITIONS**

- 4.....Minimal impact on achieving community result**
- 3.....Some impact on achieving community result**
- 2.....Relevant to achieving community result**
- 1.....Very relevant to achieving community result**

### **SCORING CRITERIA**

**Community – Oriented Results ..... Pages 7 - 15**

**Basic Program Attributes..... Pages 16 – 21**

# Basic Program Attributes

CENTER FOR  
PRIORITY BASED BUDGETING

## **Basic Program Attributes:**

### **Mandated to Provide Program**

- *Programs that are mandated by another level of government (i.e. federal, state or county) will receive a higher score for this attribute compared to programs that are mandated solely by the City or have no mandate whatsoever.*
- The grading criterion established to score programs, on a 0 to 4 scale is as follows:
  - **4** = Required by Federal, State or County legislation
  - **3** = Required by Charter or incorporation documents **OR** to comply with regulatory agency standards
  - **2** = Required by Code, ordinance, resolution or policy **OR** to fulfill executed franchise or contractual agreement
  - **1** = Recommended by national professional organization to meet published standards, other best practice
  - **0** = No requirement or mandate exists

## **Basic Program Attributes:**

### **Reliance on City to Provide Program**

- *Programs for which residents, businesses and visitors can look only to the City to obtain the service will receive a higher score for this attribute compared to programs that may be similarly obtained from another intergovernmental agency or a private business.*
- The grading criterion established to score programs, on a 0 to 4 scale is as follows:
  - **4** = City is the sole provider of the program and there are **no** other public or private entities that provide this type of service
  - **3** = City is currently the sole provider of the program but there are other public or private entities that could be contracted to provide a similar service
  - **2** = Program is also offered by another governmental, non-profit or civic agency
  - **1** = Program is offered by other private businesses but none are located within the City limits
  - **0** = Program is also offered by other private businesses located within the City limits

# **Basic Program Attributes:** **Change in Demand for Program**

- *Programs demonstrating an increase in demand or utilization will receive a higher score for this attribute compared to programs that show no growth in demand for the program. Programs demonstrating a decrease in demand or utilization will actually receive a minus score for this attribute.*
- The grading criterion established to score programs, on a -4 to 4 scale is as follows:
  - **4** = Program experiencing a **SUBSTANTIAL** increase in demand of 25% or more
  - **3** = Program experiencing a **SIGNIFICANT** increase in demand of 15% to 24%
  - **2** = Program experiencing a **MODEST** increase in demand of 5% to 14%
  - **1** = Program experiencing a **MINIMAL** increase in demand of 1% to 4%
  - **0** = Program experiencing **NO** change in demand
  - **-1** = Program experiencing a **MINIMAL** decrease in demand of 1% to 4%
  - **-2** = Program experiencing a **MODEST** decrease in demand of 5% to 14%
  - **-3** = Program experiencing a **SIGNIFICANT** decrease in demand of 15% to 24%
  - **-4** = Program experiencing a **SUBSTANTIAL** decrease in demand of 25% or more

# **Basic Program Attributes:**

## **Cost Recovery of Program**

- *Programs that demonstrate the ability to “pay for themselves” through user fees, intergovernmental grants or other user-based charges for services will receive a higher score for this attribute compared to programs that generate limited or no funding to cover their cost.*
- The grading criterion established to score programs, on a 0 to 4 scale is as follows:
  - **4** = Fees generated cover 75% to 100% of the cost to provide the program
  - **3** = Fees generated cover 50% to 74% of the cost to provide the program
  - **2** = Fees generated cover 25% to 49% of the cost to provide the program
  - **1** = Fees generated cover 1% to 24% of the cost to provide the program
  - **0** = No fees are generated that cover the cost to provide the program

## **Basic Program Attributes:** **Portion of Community Served by Program**

- *Programs that benefit or serve a larger segment of the City's residents, businesses and/or visitors will receive a higher score for this attribute compared to programs that benefit or serve only a small segment of these populations.*
- The grading criterion established to score programs, on a **0 to 4** scale is as follows:
  - **4** = Program benefits/serves the **ENTIRE** community (100%)
  - **3** = Program benefits/serves a **SUBSTANTIAL** portion of the community (*at least 75%*)
  - **2** = Program benefits/serves a **SIGNIFICANT** portion of the community (*at least 50%*)
  - **1** = Program benefits/serves **SOME** portion of the community (*at least 10%*)
  - **0** = Program benefits/serves only a **SMALL** portion of the community (*less than 10%*)

# **SUMMARY OF CAPITAL PROJECTS BY PRIORITY**

City of Battle Creek

Fiscal Year 2017 - Fiscal Year 2022

Summary of Capital Project by Priority

Capital Improvement Program

| Priority | Project Title                                            | 2016-2017       | 2017-2018    | 2018-2019    | 2019-2020    | 2020-2021    | 2021-2022    | TOTAL           | FUNDING SOURCE 1 | FUNDING SOURCE 2 | FUNDING SOURCE 3 | FUNDED | NEW PROJECT |
|----------|----------------------------------------------------------|-----------------|--------------|--------------|--------------|--------------|--------------|-----------------|------------------|------------------|------------------|--------|-------------|
| 1        | FCIP Resurfacing Plan                                    | \$475,000.00    | \$200,000.00 | \$100,000.00 | \$100,000.00 | \$0.00       | \$0.00       | \$875,000.00    | BCTIFA           |                  |                  | Yes    | No          |
| 1        | Park Assets Management Projects                          | \$50,000.00     | \$50,000.00  | \$50,000.00  | \$50,000.00  | \$50,000.00  | \$50,000.00  | \$300,000.00    | GF               |                  |                  | No     | No          |
| 1        | Greenspace and Riverfront Improvements                   | \$200,000.00    | \$100,000.00 | \$100,000.00 | \$50,000.00  | \$0.00       | \$100,000.00 | \$550,000.00    | DDA              | SF               |                  | No     | No          |
| 1        | City Wide Pavement Marking                               | \$150,000.00    | \$150,000.00 | \$150,000.00 | \$150,000.00 | \$150,000.00 | \$150,000.00 | \$900,000.00    | A51              |                  |                  | No     | No          |
| 1        | Traffic Sign Upgrade                                     | \$40,000.00     | \$40,000.00  | \$40,000.00  | \$40,000.00  | \$40,000.00  | \$40,000.00  | \$240,000.00    | A51              |                  |                  | No     | No          |
| 1        | Traffic Signal Modernization, Main @ Cliff               | \$270,000.00    | \$0.00       | \$0.00       | \$0.00       | \$0.00       | \$0.00       | \$270,000.00    | A51              |                  |                  | No     | No          |
| 1        | Non Motorized maintenance                                | \$50,000.00     | \$50,000.00  | \$50,000.00  | \$50,000.00  | \$50,000.00  | \$50,000.00  | \$300,000.00    | A51              |                  |                  | No     | No          |
| 1        | Watkins Property Utility improvements                    | \$100,000.00    | \$100,000.00 | \$100,000.00 | \$100,000.00 | \$100,000.00 | \$0.00       | \$500,000.00    | BCTIFA           |                  |                  | Yes    | No          |
