Subject: Taxiway C Reconstruction – Phase 2

This memo is in reference to awarding the contract for the reconstruction of taxiway C, phase 2 at the City's W.K. Kellogg Airport. The scope of work for this project includes the reconstruction of taxiway C from Duncan Aviation to the approach end of runway 5L, new LED taxiway lighting, expansion of the taxiway C ground engine run-up area and the installation of a blast fence.

After reviewing the bids and receiving a recommendation to award from Mead & Hunt I concur that the award should be made to the low bidder, Hoffman Brothers, Inc. Funds for this project have been approved by the Battle Creek TIFA Board and are available in 580.20.5381.801.010, project code APPORT-TXWYC-CONST.

If you have any questions or need additional information please call me at extension 2632. And once again, thank you for the continued support of the WK Kellogg Airport!
